**DIATC METROPOLITAN DISTRICT
2023 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Services Provided

DIATC Metropolitan District's (District) organization was approved by eligible electors of the District an election held on May 8, 2012. The District was organized by order of the District Court in and for Adams County on June 7, 2012. The formation of the District was approved by the City of Commerce City, Colorado in conjunction with the approval by the City Council of the Service Plan for the District on December 19, 2011. The District exists as a quasi-municipal corporation and political subdivision of the State of Colorado under Title 32, Article 1 of the Colorado Revised Statutes, as amended (C.R.S.)

At a special election of the eligible electors of the District on May 8, 2012, a majority of those qualified to vote voted in favor of certain ballot questions authorizing the issuance of indebtedness and imposition of taxes for the payment thereof, for the purpose of providing financing for the acquisition, construction, installation, and completion of certain street, park and recreation, water, sanitation, transportation, mosquito control, safety protection, fire protection, and television relay and translation improvements.

The District has no employees, and all operations and administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results because events and circumstances frequently do not occur as expected, and those differences may be material.

Revenues

Property Taxes

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August, and generally, sale of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The calculation of the taxes levied on the Property Tax Summary page of the budget using the adopted mill levy imposed by the District.

Specific Ownership Taxes

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 7.00% of the property taxes collected by both the General Fund and the Debt Service Fund.

2023 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Expenditures - (continued)

Debt Service

Principal and interest payments are provided based on the debt amortization schedule from the Series 2019 Bonds (discussed under Debt and Leases).

Capital Outlay

In 2023, the District anticipates acquiring public improvements constructed and funded by the Developer and repaying the Developer for costs of such public improvements from bond proceeds.

Debt and Leases

The District issued General Obligation Limited Tax Refunding and Improvement Bonds, Series 2019 (the "Bonds") on September 12, 2019, in the amount of \$20,580,000. The proceeds from the sale of the Bonds were used for the purpose of:

- (i) Paying, or reimbursing the Developer for, the costs associated with the acquisition, construction, or installation of a portion of the Public Improvements;
- (ii) Refunding the entire outstanding principal of and accrued interest due on the 2018 Loan and paying the required prepayment fee in connection therewith;
- (iii) Funding capitalized interest in the amount of \$710,595;
- (iv) Funding the Reserve Fund in the amount of the Required Reserve (\$1,620,750);
- (v) Paying costs in connection with the issuance of the Bonds and the refunding of the 2018 Loan.

The Bonds were issued as term bonds bearing interest at 3.25% to 5.00%, payable semiannually on June 1 and December 1, beginning on December 1, 2019. Annual mandatory sinking fund principal payments are due on December 1, beginning on December 1, 2023. The Bonds mature on December 1, 2049.

To the extent principal of any Bonds is not paid when due, such principal shall remain outstanding until paid and shall continue to bear interest at the rate then borne by the Bonds. To the extent interest on any Bonds is not paid when due, such interest shall compound on each interest payment date, at the rate then borne by the Bonds; provided however, that notwithstanding anything herein to the contrary, the District shall not be obligated to pay more than the amount permitted by law and its electoral authorization in repayment of the Bonds, including all payments of principal, premium if any, and interest, and all Bonds will be deemed defeased and no longer outstanding upon the payment by the District of such amount.

**DIATC METROPOLITAN DISTRICT
2023 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Debts and Leases - (continued)

The Bonds are secured by and payable solely from Pledged Revenue, net of the cost of collection, which is defined generally in the Indenture as:

- (a) the Required Mill Levy;
- (b) all Capital Fees, if any;
- (c) the portion of the Specific Ownership Tax which is collected as a result of the imposition of the Required Mill Levy; and
- (d) any other legally available moneys which the District determines, in its absolute discretion, to transfer to the Trustee for application as Pledged Revenue.

The Bonds are additionally secured by capitalized interest which will be funded with proceeds of the Bonds in the amount of \$710,595, the Reserve Fund, which will be initially funded with proceeds of the Bonds in the amount of \$1,620,750, and by amounts on deposit in the Surplus Fund, if any, which will not be funded as of the date of issuance of the Bonds and will be funded with excess Pledged Revenue, if any, up to the Maximum Surplus Amount of \$2,058,000.

The District has no capital or operating leases.

Reserves

Emergency Reserve

The District has provided for an Emergency Reserve equal to at least 3.00% of the fiscal year spending for 2023, as defined under TABOR.

Debt Service Reserve Fund

The District is required to maintain a debt service reserve in accordance with the 2019 Bonds issuance. This reserve has been established.
